

Follow these steps to find a Pearson Vue testing facility and create a test taker account:

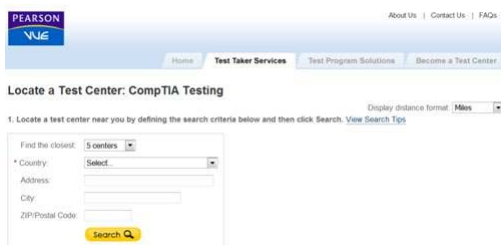

1. Go to [www.vue.com](http://www.vue.com) and click on the **Test Taker Services** tab or the "Find a test center" link

2. Select **Information Technology** from the left column and the testing program (such as CompTIA, Microsoft, Oracle, etc) on the right

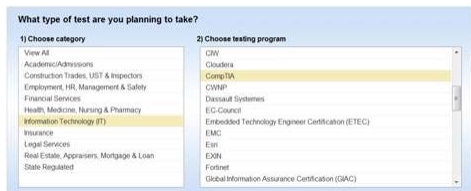

3. Enter Country and Zip Code then hit the Search button.

4. Once you have identified the testing facility, return to the Home page and click **sign in** Access your account. If you already have an account you will sign in to schedule the test. If this is your first exam with Pearson Vue you will be prompted to create a new account.

5. As before, select the category and testing program

6. Click the **create a new web account** link and enter all required information
